

Your Car Will Never Be The Same Again!

(120ml for 480/600 litre petrol/diesel)

(One bottle, every 5,000-10,000km run in 4 litre oil)

- More Power
- More Savings
- Less Smoke, Better Health
- Less Maintenance
- More Comfortable Ride
- Cleaner Engine
- Cooler Engine
- Longer Engine Life

Do You Want These Benefits? Yes?

Then, use **SUPER MEXON F2-21**, a combustion enhancer, regulator and cleanser, to keep your engine "new" and in top performances. It solves problems at their roots, as fuel does not burn well. It saves more than you spend. It minimises engine knocks, and toxic NOx and PM₁₀. It works almost instantly for you - for old and new petrol or diesel engines!

F2-21 is the leading fuel additive, enjoyed by many worldwide without any warranty claims! Your engine may be automatically cleaned after 2,000 km continual run!

F2-21 is selected by the United Nations, Forbes and Japan's Option 2 Auto Magazine; by Japan as the fuel additive that will save diesel vehicles, reducing 70% smoke to only 5% in 2 weeks, ideal for commercial vehicles!

Lu-beX Engine Oil Additive makes engine parts smooth, prevents friction and oxidation for better performance. Use it with added confidence - with exclusive Japan Petroleum Institute Award; 5 major oil giants in Japan and Europe use it to enhance their synthetic oil performances; and no toxic elements or teflon to clog your engine.

Use F2-21 and Lu-beX for many more good years! Today's answers for tomorrow's problems!
